Description

Nordkapp AVES VR 5W-30 is a **cutting-edge, fully synthetic, low-friction engine oil** engineered to deliver **ultimate performance and protection** for modern gasoline engines. Developed to meet and exceed the latest industry standards, AVES VR 5W-30 helps your engine run cleaner, cooler, and more efficiently. It provides **exceptional wear protection** and **maintains engine cleanliness**, helping to keep your engine performing like new for longer.

Advantages

- **Superior engine protection:** Delivers exceptional wear and deposit protection for prolonged engine life.
- **Enhanced fuel efficiency:** Its low-friction formula helps optimize fuel economy.
- **Advanced low-speed pre-ignition (LSPI) defense:** Protects modern direct-injection engines from damaging LSPI.
- **Excellent temperature stability:** Ensures reliable performance and protection across all operating temperatures.
- **Wide OEM compatibility:** Recommended for a broad range of American and Asian vehicles, including those requiring the latest performance standards.
